Pilot Study of a Point-of-use Decision Support Tool for Cancer Clinical Trials

[All articles](#) [Recent articles](#)

Eligibility - group of 6 »

PP Breitfeld, M Weisburd, JM Overhage, G Sledge Jr ... - Journal of the American Medical Informatics Association, 1999 - j-
amia.org... with breast cancer who are eligible for **clinical trials**. ... a system could improve **workflow**
by eliminating ... need to repeatedly reference **protocol** documents stored ...*considered*

Cited by 17 - Cached - Web Search - BL Direct

Participatory design and an eligibility screening tool - group of 7 »

JH Gennari, M Reddy - Proceedings of the American Medical Informatics Association ..., 2000 - ics.uci.edu

... to users' needs and the **workflow** setting for ... for understanding the eligibility criteriafor these **clinical trials**. ... Our **protocol** screening tools were built as ...

Cited by 13 - View as HTML - Web Search - BL Direct

Architecture for a multipurpose guideline execution engine - group of 4 »

AA Boxwala, RA Greenes, SR Deibel - Proc AMIA Symp, 1999 - amia.org

... such as for supporting conduct of **clinical trials**. ... and critiquing of time-oriented**clinical** guidelines ... based approach to automation of **protocol**-directed therapy ...

Cited by 25 - View as HTML - Web Search

Audacious goals for health and biomedical informatics in the new millennium - group of 4 »

RA Greenes, NM Lorenzi - J Am Med Inform Assoc, 1998 - pubmedcentral.nih.gov

... Develop usable standards for **protocol** representation, data ... Design improved **workflow**
systems within health ... collection process in **clinical trials**, and reduce the ...
